

EXPOSED

The unique history of African American pioneers.

History Quest

Match the facts you'll find throughout this exhibit today.

Draw a line that connects each fact to the correct person.

Adam Houston

Because of the Exclusion Law that existed in Oregon Territory in 1844 this pioneer was forbidden from settling there.

George Washington

This pioneer established a college for the study of agricultural science in Washington State.

Nettie Asburry

Which pioneer took charge of the Tenth Cavalry in Cuba and led them on the famous charge at San Juan Hill.

William Owen Bush

In 1913 this pioneer led the efforts to establish the first chapter of the NAACP west of the Rockies.

George Washington Bush

After the Northern Pacific Railroad ran across his land this pioneer named his town Centerville (Centralia).
